

MOOR GREEN ALLOTMENTS
INFORMATION SHEET FOR ALL ENTRIES TO ANNUAL SHOW

.....

ANNUAL GARDEN SHOW
Saturday 14th September 2024
IN THE PAVILION

Certificates to be presented on the day

.....

Doors open 8.30am

**ALL ENTRIES MUST BE IN THE PAVILION AND PRESENTED BY 12noon ON SATURDAY 14TH
SEPTEMBER**

JUDGING BETWEEN 12 noon AND 1.30 pm

GENERAL INFORMATION FOR ALL CLASSES OF PRODUCE

Please bring your entries to the Pavilion **before 12 noon** so that judging can begin on time. A paper plate will be provided for you to arrange your produce on. You will also be given a small slip of paper on which to write your plot number to place by your entry. The judge is an independent, experienced judge who is not a plot holder on our site. Entries are free.

Entries are divided into 7 main categories; VEGETABLES, FRUIT, FLOWERS, DOMESTIC, CHILDREN, BEST PHOTO AND PLOT DISPLAY. In each category there are a number of classes that you may enter. Information on the specific requirements for entries in each class is given below. Please read the information carefully, for instance, entries to some classes specify a certain number of fruits or vegetables or that entries be of a maximum size. If there is a class that you wish to enter produce for that you do not see noted here, please inform a member of the Committee and we will ensure it is included either this year if there is time or next year.

The Pavilion will be closed during judging. In each category the judge may award a 1st, 2nd, 3rd prize. All those awarded prizes will receive a certificate. A top tip is to ensure all your produce in a specific class is of the same size – so three carrots of the same length are better than 2 short ones and 1 long one!

At the end of the afternoon we will auction all remaining produce to raise funds for the site. If you do not wish your produce to be auctioned, please inform the Secretary or the Chair.

We hope you enjoy the show!

VEGETABLE CLASSES

- Class 1. **Potatoes White.** 5 white potatoes of any distinct cultivar
- Class 2. **Other Potatoes.** 5 potatoes other than white of any distinct cultivar.
- Class 3. **Beetroot.** 3 beetroot tops, trimmed to 75mm (3 inches)
